Read the Beach Buddy Promise, *initial* the line in front of each statement, then date and sign your name on the back.

I, _____, promise to responsibly fulfill my duties, as a Beach Buddy. I will follow the requirements listed below.

As a Beach Buddy, I will do the following:

_____ I will not use my cell phone during my BB hour.

_____ I will be a good, attentive friend to the student I am paired with.

_____ I will model appropriate behavior with the student I am linked with at all times. This includes not distracting other students in the class, keeping my head off the desk, listening/working attentively, and staying awake, among other things.

_____ I understand that each student is unique and requires different levels and types of support. I will support the student I am linked with socially, academically, and behaviorally.

I understand and agree to follow all of the stated rules above.
